GOVERNMENT OF ASSAM

ORDERS BY THE GOVERNOR

ASSAM ELECTRICITY REGULATORY COMMISSION

## NOTIFICATION

The 5th August, 2019

### **AERC (Compensation to Victims of Electrical Accidents) Regulations, 2019**

**No. AERC 635/ 2017/135.-** In exercise of powers conferred by Section 181(1) read with Section 57 (2) and Section 57 (3) of the Electricity Act, 2003 (36 of 2003) and all other powers enabling in this behalf and after previous publication, the Assam Electricity Regulatory Commission hereby makes the following Regulations :

## **INTRODUCTION**

Whereas Section 53 of the Electricity Act, 2003 (36 of 2003) prescribes specification of suitable measures for,-

- (a) protecting the public (including the persons engaged in the generation, transmission or distribution or trading) from dangers arising from the generation, transmission or distribution or trading of electricity, or use of electricity supplied or installation, maintenance or use of any electric line or electrical plant;

- (b) eliminating or reducing the risks of personal injury to any person, or damage to property of any person or interference with use of such property;

Whereas the State Commission may make Regulations consistent with the Act under Section 181(1) and notify Standards of Performance of a licensee or a class of licensees under Section 57 of the Electricity Act, 2003;

Whereas Section 161 of the Electricity Act, 2003 provides for notice of accidents and injuries, if any accident occurs in connection with the generation, transmission, distribution, supply or use of electricity in or in connection with, any part of the electric lines or electrical plant of any person and the accident results or is likely to have resulted in loss of human or animal life or in any injury to a human being or an animal, but no provision was made for payment of compensation to any person affected;

Whereas the Assam Electricity Regulatory Commission (Distribution Licensees' Standards of Performance) Regulation, 2004 and the Assam Electricity Regulatory Commission (Transmission Licensees' Standards of Performance) Regulation, 2004 were accordingly made, however, compensation for injury to human beings or animals, were not covered in the said Regulations;

The Assam Electricity Regulatory Commission has therefore, decided to formulate Regulations making a licensee/ generating company (including CPP) liable for payment of compensation to the persons, affected due to the licensee/ generating company's failure to meet specified standards with an intention to eliminate or reduce the risk of any loss of human or animal life or causing disablement to any human being as defined in these Regulations.

## **CHAPTER I**

### **PRELIMINARY**

#### **1. SHORT TITLE, COMMENCEMENT AND EXTENT**

- (i) These Regulations shall be called “Assam Electricity Regulatory Commission (Compensation to Victims of Electrical Accidents) Regulations, 2019”.
- (ii) These Regulations shall extend to the entire State of Assam.
- (iii) These Regulations shall be applicable to all Generating Companies including Captive Power Plants (CPPs) as well as transmission and distribution licensees within the areas under their jurisdiction in the State of Assam.

- (h) **‘Licensee’** means a person who has been granted a licence under Section 14 of the Electricity Act, 2003 (36 of 2003), including a deemed licensee under the said provision;

### **3. INTERPRETATION:**

Words and expressions used and not defined in these Regulations but defined in the Electricity Act, 2003 or the Rules or Regulations made thereunder, shall have the meanings assigned to them therein.

## **CHAPTER – II**

### **SAFETY STANDARDS**

#### **4. SAFETY STANDARDS**

- (i) The works of Licensees or Generating Companies including Captive Generating Plants (CPPs) shall be so installed, constructed, maintained or operated or used so as to protect the public (including the persons engaged in the generation, transmission or distribution or trading), animals and property from dangers arising from the generation, transmission or distribution or trading of electricity or use of electricity supplied and eliminate the risks of any injury to any person, animal or damage to the property of any person.
- (ii) The Licensees or Generating Companies including CPPs or any person connected to the Electricity System shall comply with all the mandatory safety requirements and take all necessary measures to protect human beings, animals and property from injury or damage by reason of contact with, or the proximity of, or by reason of the defective or dangerous condition of any appliance or apparatus used in the generation, transmission, distribution, supply or use of electricity.
- (iii) The Licensees or Generating Companies including CPPs shall strictly comply with the Safety Regulations and norms notified by the Central Electricity Authority (CEA) or other applicable Regulations as notified from time to time including any amendments. The following Regulations have been notified by CEA and are available in its official website.
  - Central Electricity Authority (Measures Relating to Safety and Electric Supply) Regulations, 2010.
  - Central Electricity Authority (Safety requirements for construction, operation and maintenance of electrical plants and electrical lines) Regulations, 2011.
  - Central Electricity Authority (Measures Relating to Safety and Electric Supply) Amendment Regulations, 2015.
  - Central Electricity Authority (Measures Relating to Safety and Electric Supply) Amendment Regulations, 2018.
- (iv) The above Safety Regulations shall be in addition to the Standards prescribed in AERC (Distribution licensees' Standards of Performance) Regulations, 2004 and AERC (Transmission licensees' Standards of Performance) Regulations, 2004.

### **CHAPTER – III**

#### **COMPENSATION**

##### **5. Liability for compensation:**

Notwithstanding anything contained in any other law in force, the licensee/ generating company including CPP shall be liable to pay compensation as specified in these Regulations to the person affected or his dependents for loss of animal or human lives or injury to human beings and animals in consequence of an electrical accident, provided the electrical accident is attributable to the fault/ negligence of the licensee / generating company / CPP.

Provided that if the loss of human life is due to suicide or homicide or the injury to a human being is due to an attempt to commit suicide or homicide, the licensee/ generating company /CPP shall not be liable to pay any compensation for the same under these Regulations.

##### **6. Quantum of compensation:**

The quantum of compensation payable for loss of life /injury to human or animal is given at Schedule B.

##### **7. Medical Expenses:**

(i) The actual expenses incurred during the period of hospitalization and/or treatment for the grievous hurt suffered due to an electrical accident, shall also be paid to the injured or the dependents of the deceased, as the case may be, in addition to the compensation specified above. The medical expenses shall be paid subject to submission of certified bills of Government hospitals/ hospitals approved by the State Government/ hospitals approved by the concerned authority of the licensee.

(ii) In case, the treatment is undertaken in a private hospital, reimbursement of medical expenses shall be limited to the rates admissible as per Regulation 7 (i).

##### **8. Assessment of Compensation:**

The quantum of compensation payable in respect of injury to a human being or an animal shall be assessed by the licensee/ generating company/ CPP concerned on such information, material and evidence that may be considered relevant.

**9. Other rights and remedies unaffected:**

The right of any person to claim compensation as above shall not affect the right of any such person to recover the compensation payable under any other law for the time being in force.

Provided that the amount paid as compensation under these Regulations shall be duly deducted from such compensation payable under any other law, so as to avoid double payment by the Licensee/Generating Company /CPP.

**10. Contracts or Schemes Unaffected:**

The right of any person to otherwise claim compensation under any contract or scheme, providing for payment of compensation for death or personal injury or damage to property, or any sum payable under any policy of insurance shall remain unaffected, by payment of compensation made under these Regulations.

**11. Periodical revision of the quantum of compensation:**

The Commission may from time to time, by notification, and for reasons to be recorded in writing, revise the quantum of compensation given in Schedule B of these Regulations, after previous publication.

## **CHAPTER-IV**

### **PROCEDURE**

#### **12. Display of information**

For intimation of an electrical accident, telephone numbers, fax numbers and addresses of Chief Electrical Inspector or Electrical Inspectors, District Magistrate and Police Station, shall be displayed at the website of the licensee/ generating company, electricity bills, revenue collection centres and in any other location as may be decided by the licensee /generating company/CPP.

#### **13. Occurrence report of an Electrical Accident:**

- (i) The occurrence of electrical accident leading to loss of human or animal life or injury shall be reported to the Electrical Inspector by the concerned officer of the licensee/generating company under Section 161 of the Electricity Act 2003 read with the Intimation of Accidents (Form and Time of Service of Notice) Rules, 2005 so as to reach the above authority within twenty four hours of the electrical accident.
- (ii) A copy of the accident report shall also be submitted to the Secretary of the Commission and the officer-in-charge of the police station concerned in addition to the higher authorities of the licensee/ generating company/ CPP, so as to reach the above authorities within twenty four hours of the electrical accident.

The Form A for reporting electrical accidents is annexed as Annexure-I to these Regulations.

#### **14. Enquiry Report:**

The Chief Executive Officer of the concerned Electrical Circle of the Licensee or the Station head of the Generating Company or CPP, as the case may be, shall conduct an enquiry within 15 days from the receipt of a report of an electrical accident, and submit a detailed report of the same to the Managing Director/ Chief Executive of the concerned licensee or generating company or CPP.

The enquiry report shall be accompanied with the following reports/ documents as under:

- i) Occurrence Report
- ii) Police Report
- iii) Post Mortem Report (in case of death)

#### **15. Claim for Compensation:**

- (i) The dependents of a person who died in an electrical accident or a person affected by the injury caused to himself or an animal may make a claim for compensation in the form (Form B) set out in Annexure-II of these Regulations either in person or by post to the Chief Executive Officer of the concerned Electrical Circle of the licensee or the Station Head of the generating company /CPP concerned who shall cause such claim to be enquired into and determined in accordance with these Regulations.

The claim can also be made to office of the Managing Director or any other office of the licensee/ generating company/ CPP.

- (ii) In case, the claim is made to other offices of the licensee/ generating company/ CPP, it shall be forwarded immediately on receipt, to the concerned offices mentioned in 15 (i), for further processing .
- (iii) Alternatively, the Licensee /Generating Company /CPP shall determine the quantum of compensation on its own in case an electrical accident comes to its notice, and pay compensation to the persons entitled for the same in accordance with these Regulations, even if no claim is made.
- (iv) All claims shall be finally settled within a period of 120 days from the date of occurrence of the electrical accident.

**16. Verification and Final Orders:**

- i) The Managing Director/ Chief Executive of the licensee or generating company/ CPP may cause verification of the contents of the occurrence report of the concerned officer and the Enquiry Report of the Chief Executive Officer, by himself or through such other officer as he may duly authorize in this behalf and determine the compensation in the manner provided in these Regulations.
- ii) The Managing Director/ Chief Executive of the licensee or generating company/ CPP or the officer authorized for this purpose, may thereupon pass order specifying the quantum of compensation payable and the persons entitled to the same, namely the dependents of the deceased person or the injured person or the owner of the animal, as the case may be.
- iii) Such verification, assessment and passing of orders on any compensation payable and the persons to whom it is payable shall be completed within 90 days from the date of occurrence of the electrical accident.

**17. Communication of the Order:**

The licensee /generating company/CPP shall communicate the order passed by it on any claim for compensation arising out of an electrical accident to the claimants and the persons entitled, within fifteen days of the passing of any such order, in any one or more of the following modes as under:

- i). through e-mail to designated e-mail id,
- ii). by registered post with acknowledgement due,
- iii). by hand delivery through messenger,
- iv). in any other manner considered appropriate.

The Order shall also be hosted in the official website of the licensee/ generating company/CPP.

The licensee/ generating company/ CPP shall forward a copy of such order to the Commission.

**18. Payment of Compensation:**

The compensation shall be paid to the persons entitled to the same within thirty days from the date of the aforesaid order.

**19. Certificate of Disability:**

The Certificate of disability is to be issued by the Director of Social Welfare, Government of Assam or any other authority empowered by Government of Assam, after being satisfied on proper medical examination by a competent authority.

**20. Interest:**

The quantum of compensation determined by the order of the licensee/ generating company/ CPP shall be paid within 120 days from the date of occurrence of the electrical accident, and if such payment is delayed for any reason beyond 120 days, the compensation shall be paid with additional interest of 12% per annum on the amount from the due date of payment.

**21. Disputes about entitlement/ quantum of compensation:**

- (i) Any dispute or difference regarding the entitlement to compensation on death of a human being in an electrical accident or the ownership of an animal involved in an electrical accident, or any person aggrieved by the orders of the Managing Director/ Chief Executive of the Licensee/ Generating Company/ CPP concerned on the quantum or entitlement shall be deemed to be a grievance in accordance with the Assam Electricity Regulatory Commission (Redressal of Consumer Grievances) Regulations, 2016 and its subsequent amendments. The disputants shall be entitled to make a complaint before the Electricity Ombudsman.
- (ii) Notwithstanding the above, the aggrieved person may approach a civil court.

**22. Consequences of Non- Compliance:**

Contravention of any of the provisions of these Regulations and non-compliance with the orders or directions of the State Commission under these Regulations shall be deemed to be non-compliance and contravention within the meaning of Sections 142 and 146 of the Electricity Act, 2003.

## **CHAPTER - V**

### **MISCELLANEOUS PROVISIONS**

#### **23. Issue of Orders and Practice Directions**

Subject to the provisions of the Electricity Act, 2003 and these Regulations, the Commission may, from time to time, issue orders and practice directions in regard to the implementation of these Regulations and procedure to be followed on various matters, which the Commission has been empowered by these Regulations to specify or direct and matters incidental or ancillary thereto.

#### **24. Power to amend**

The Commission may, at any time add, vary, alter, modify, delete or amend any provisions of these Regulations.

#### **25. Power to remove difficulties**

- (i) If any difficulty arises in giving effect to any of the provisions of these Regulations, the Commission may, by general or special order, do anything not being inconsistent with the provisions of the Electricity Act, 2003, which appears to it to be necessary or expedient for the purpose of removing the difficulties.
- (ii) The Commission shall have the power, for reasons to be recorded in writing and with notice to the affected parties, to dispense with the requirements of any of the provisions in these Regulations in a specific case or cases subject to such terms and conditions as may be specified.

#### **26. Savings:**

- (i) The provisions of these Regulations shall be in addition to and not in derogation of the provisions of any other law or rules or regulations or scheme or contract for the time being in force.
- (ii) Nothing in these Regulations shall be deemed to limit or otherwise affect the inherent power of the Commission to make such orders as may be necessary for meeting the ends of justice or to prevent the abuse of the process of the Commission.
- (iii) Nothing in these Regulations shall, expressly or impliedly, bar the Commission to deal with any matter or exercise any power under the Electricity Act, Central Act 36 of 2003 for which no Regulations have been framed, and the Commission may deal with such matters, powers and functions in a manner it deems fit.

(By Order of the Commission)
